COMPULSORY FOUNDATION COURSE (FC) [FCSOC101] (Credits: Theory-05)

Fundamentals of Sociology = Theory: 60 Lectures; Tutorial: 15 Hrs.

Course Objective:

The present paper is an attempt to introduce and make familiarize the students with the discipline of Sociology. The course begins with discussion on the emergence of Sociology in Europe as a separate discipline in the particular socio-historical circumstances. Our main concern here would be to understand the context in which the discipline emerged and evolved in the various institutional practices. The paper aims at critically engaging with the various concepts and major perspectives in detail with the objective to develop a holistic understanding of the relationship between the individual and the society. It ends by raising the questions of reflexivity in contemporary sociological writings.
